

EMMA

VOL. 3

When you fall in love, you join a tradition older than traditions, older than history, older than time. Across cultures, across boundaries, across the globe, love is universal.

So when you choose love, you join the strand of your life to another's, and weave them both into the tapestry of the universe.

So choose a talisman that links you to the one you love, and the tradition you join each day as you love well, madly, and fully.

Choose EMMA.

When you choose to celebrate your love with an EMMA piece, you can rely on our quality, craftsmanship and attention to detail. Every piece is handcrafted in 14K gold, 18K gold, or platinum, with responsibly sourced diamonds with GIA certified center stones.
